Dear Sir/Madam:

The Philippine Statistics Authority (PSA) is conducting the 2024 Functional Literacy, Education, and Mass Media Survey (FLEMMS) to gather information on literacy, education, and exposure to mass media. The collected data will be used by government planners, policymakers, and administrators in formulating social and economic development plans, policies, and programs.

The conduct of the 2024 FLEMMS is in accordance with Republic Act (RA) No. 10625 (Philippine Statistical Act of 2013), which authorizes the PSA to prepare and conduct periodic censuses on various sectors of the economy.

Pursuant to Section 25 of RA 10625, the National Statistician identified the above statistical inquiry or survey to be conducted with the obligation to provide information. Considering this, all respondents whether natural or legal persons shall be liable to reply to the statistical inquiry or survey. The respondents are also required to give truthful and complete answers to the said statistical inquiries or surveys of the PSA and other statistical offices of the Philippine Statistical System. We are requesting you provide complete and truthful answers to all questions that will be asked by our survey/census interviewer.

Rest assured that the data you will furnish in the above-mentioned survey/census shall be treated with strict confidentiality and shall be considered PRIVILEGED COMMUNICATION, hence, inadmissible in evidence in any proceeding as provided for in Section 26 of RA 10625. The PSA also complies with the Data Privacy Act of 2012 and assures that all collected personal information is processed in accordance with the law and other issuances.
