

REPUBLIC OF THE PHILIPPINES
PHILIPPINE STATISTICS AUTHORITY

2024 FUNCTIONAL LITERACY, EDUCATION AND MASS MEDIA SURVEY

FLEMMS Form 2C
PSA Approval No.: PSA-2436-04
Expires on: 30 September 2025

OCTOBER 2024
INDIVIDUAL QUESTIONNAIRE
(for individual aged 10 to 64 years)

CONFIDENTIALITY:

Article 55 of RA 10625, states that "The information collected shall not be used for purposes of taxation, investigation, or regulation."

Section 26 of RA 10625 stipulates that individual data furnished by a respondent to statistical inquiries, surveys, and censuses of the PSA shall be considered privileged information and shall be inadmissible as evidence in any proceeding.

Section 27 of RA 10625 states that a person, including parties within the PSA Board and the PSA, who breach the confidentiality of information, whether by carelessness, improper behavior, behavior with malicious intent, and use of confidential information for profit shall be liable to a fine of five thousand pesos (PhP5,000.00) to not more than ten thousand pesos (PhP10,000.00) and or imprisonment of three months but not to exceed one year, subject to the degree of breach of information.

Dear Sir/Madam:

The Philippine Statistics Authority (PSA) is conducting the 2024 Functional Literacy, Education, and Mass Media Survey (FLEMMS) to gather information on literacy, education, and exposure to mass media. The collected data will be used by government planners, policymakers, and administrators in formulating social and economic development plans, policies, and programs.

The conduct of the 2024 FLEMMS is in accordance with Republic Act (RA) No. 10625 (Philippine Statistical Act of 2013), which authorizes the PSA to prepare and conduct periodic censuses on various sectors of the economy.

Pursuant to Section 25 of RA 10625, the National Statistician identified the above statistical inquiry or survey to be conducted with the obligation to provide information. Considering this, all respondents whether natural or legal persons shall be liable to reply to the statistical inquiry or survey. The respondents are also required to give truthful and complete answers to the said statistical inquiries or surveys of the PSA and other statistical offices of the Philippine Statistical System. We are requesting you provide complete and truthful answers to all questions that will be asked by our survey/census interviewer.

Rest assured that the data you will furnish in the above-mentioned survey/census shall be treated with strict confidentiality and shall be considered PRIVILEGED COMMUNICATION, hence, inadmissible in evidence in any proceeding as provided for in Section 26 of RA 10625. The PSA also complies with the Data Privacy Act of 2012 and assures that all collected personal information is processed in accordance with the law and other issuances.

This survey was reviewed and cleared under the Statistical Survey Review and Clearance System (SSRCS) with clearance number PSA-2436-04 and expiration date 30 September 2025.

We appreciate your utmost cooperation and support to the success of this undertaking. Thank you very much.

Truly yours,

CLAIRE DENNIS S. MAPA, PhD
Undersecretary
National Statistician and Civil Registrar General

1. BASIC LITERACY	
ANSWER THE FOLLOWING BASED ON THE INSTRUCTIONS OR QUESTIONS PROVIDED. (SAGUTIN ANG MGA SUMUSUNOD AYON SA MGA NAKASAAD NA PANUTO O TANONG.)	DO NOT FILL
Q2. Write your full name . (Isulat ang iyong buong pangalan .) _____	☐
Q3. Write your current home address . (Isulat ang iyong kasalukuyang tirahan .) _____ (House Number/Street/Purok) (Barangay) (Town/City) (Province)	☐
Q4. Write your complete date of birth . (Month, Day, Year) (Isulat ang iyong kumpletong petsa ng kapanganakan . (Buwan, Petsa, Taon)) _____ (Month / Buwan) (Day / Petsa) (Year / Taon)	☐
Q5. Put a check ☒ in the box beside your highest level of education completed and write the grade, level or course you completed on the line after it. (Lagyan ng tsek ☒ ang kahon at isulat sa katabing patlang ang pinakamataas na grado, antas o kursong natapos .) ☐ No Grade Completed ☐ Elementary _____ (ex. Grade 1, Grade 2, etc.) ☐ Junior High School /High School (if old Curriculum) _____ (ex. Grade 10, if old curr. 4th Year) ☐ Senior High School (K-12 Curriculum) _____ (ex. Grade 11, Grade 12) ☐ Post Secondary (Technical/ Vocational) _____ (Year Level / Course) ☐ Bachelor _____ (College Year Level/Degree/ Course, if Graduate) ☐ Post Graduate _____ (Master's/Doctorate Degree)	☐
Q6. If a kilo of rice costs PhP55.00, how much will two (2) kilos cost? Write your answer on the space provided. (Kung ang halaga ng isang kilong bigas ay PhP55.00, magkano ang dalawang kilo?) (Isulat ang sagot sa patlang.) PhP _____	☐
Q7. If a kilo of sugar costs PhP88.00, how much will half a kilo cost? Write your answer on the space provided. (Kung ang halaga ng isang kilong asukal ay PhP88.00, magkano ang kalahating kilo?) (Isulat ang sagot sa patlang.) PhP _____	☐

2. FUNCTIONAL LITERACY																																											
ANSWER THE FOLLOWING BASED ON THE INSTRUCTIONS OR QUESTIONS PROVIDED. (SAGUTIN ANG MGA SUMUSUNOD AYON SA MGA NAKASAAD NA PANUTO O TANONG.)	DO NOT FILL																																										
Q8. Read the following paragraph and write your answer on the space provided. The depletion of our forests is one of the most serious environmental problems of the Philippines. It causes frequent floods and loss of fertile soil. Crops and property are destroyed and many lives are lost because of frequent floods. Based on the paragraph you read, what are the effects of forest depletion? (Basahin ang sumusunod na talata at isulat ang sagot sa patlang.) (Ang pagkaubos ng punong-kahoy sa gubat ay isa sa pinakamabigat na suliraning pangkapaligiran ng Pilipinas. Ito ay nagdudulot ng malimit na pagbaha at pagkaanod ng matabang lupa. Dahil naman sa malimit na pagbaha, ang mga pananim at ari-arian ay nawawasak at maraming buhay ang nasasawi.) (Ayon sa binasa mong talata, ano ang resulta ng pagkaubos ng punong-kahoy sa gubat?) ANSWER/SAGOT: _____																																											
Q9. Based on the heat index table below of Region 3, how many times did Casiguran, Aurora experience the danger level in the heat index from April 21 to April 27? Write your answer on the space provided. (Base sa talaan ng heat index ng Region 3, ilang beses naranasan ng Casiguran, Aurora ang higit na mapanganib na lebel sa heat index mula Abril 21 hanggang Abril 27? Isulat ang iyong sagot sa patlang.) ANSWER/SAGOT: _____ HIGHEST HEAT INDEX RECORDED IN REGION 3 As of 28 April 2024 <table><tr><th colspan="2">Effect-based classification (Klasipikasyon batay sa epekto)</th></tr><tr><td>Caution (Mapanganib) (27-32°C)</td><td>Fatigue is possible with prolonged exposure and activity. Continuing activity could lead to cramps. (Maaaring maranasan ang pagkapagod dahil sa patuloy na pagkabilad sa init. Ang pagpapatuloy ng gawain ay posibleng humantong sa pulikat o cramps.)</td></tr><tr><td>Extreme Caution (Mas Mapanganib) (33-41°C)</td><td>Heat cramps and heat exhaustion are possible.
